

Process Monitoring Dashboard

localhost:8501

Relaunch to update

Monitoring default processes from config.toml [process_dashboard].

Select processes to monitor:

reduceFileSize-I... x

reduceFileSize-P... x

Real-Time Process Statistics

Total Successes8

Total Failures4

Total Runs12

Process Runs Over Time - Cumulative rate

Time	Success Count	Failure Count
14:30	0	2
14:45	2	4
15:00	4	4
16:00	8	4
